# SHERATON ORLANDO DOWNTOWN

400 WEST LIVINGSTON STREET  
ORLANDO, FL 32801

The User Group & Training Seminar is a three day event, providing departments the opportunity to attend FirePrograms related educational sessions, discuss their departments' unique uses of the software, network with colleagues, and build relationships with members of the FirePrograms team. Attendees select classes, from Basic to Advanced User level options, and receive a customized schedule, maximizing the benefits of the seminar.
